NEWS & INFORMATION FOR AMBASSADORS OF ALSM

March 2021

Greetings!

The good news is that our staff and residents have been offered and some folks have been getting the COVID vaccine. Several more vaccination clinics will be provided in the next few weeks. We continue to educate about the vaccine. Dr. Zlupko of Altoona Lung Specialists has provided some Zoom sessions so that questions can be asked. We are grateful for his willingness to share his knowledge.

The other good news is that we do not have any active COVID cases on any of our campuses. We continue to do testing according to the positivity rate in the respective counties.

As we continue to deal with the challenges of COVID-19, we thank each of you for your prayerful and financial support. We did not anticipate expenses for testing and personal protective equipment in our 2020 budget so we appreciate your willingness to support us with those expenditures. 2021 appears to be somewhat better with those costs yet the number of people served in our health care campuses and our programs continue to be lower than usual. We are also grateful for our dedicated staff who provide compassionate care to our residents and clients. We are blessed in so many ways in spite of the pandemic.

Thanks to those of you who responded to our Holleran survey to determine the interest in a community living house as well as an expansion of our ALSM at Home Care program. This survey was done by electronic means in many cases to congregations and community service organizations as well as on the ALSM FACEBOOK page. There appears to be some interest in the community living house. There also appears to be a need to increase awareness of services that ALSM provides that many respondents indicate a need in the community. More to come on that topic. This information that we gathered will assist the board in planning for the future. If you have interest in the survey results, please email me.

The Auxiliary appeal has been mailed to the congregations. As you likely know, we did not conduct the appeal in 2020 because of the pandemic. All of these proceeds support benevolent care so the auxiliary members agreed to distribute the appeal this year with hopes that we will raise some funds. We provide at least \$2 million in benevolent care each year so these funds are important to ALSM.

Last, our **InTouch** newsletter will begin to be sent electronically. If you wish a copy emailed to you, please email me with your email address. We are going to trial this mode of communication.

Again, thank you for your prayerful and financial support.

If you have any questions or need additional information, please contact me at 814.696.4556 or at patricia.savage@alsm.org.

Lenten blessings to you and your family,

Sincerely,

Patricia W. Savage
President/CEO
