CARE OF CREATION SUNDAY

As part of Care of Creation Sunday on June 28, we will have a family bike ride on some of the State College Bike Trails. We will meet at the Greenbriar-Saybrook Park at 2:00 pm to start the ride. Bring a snack to share afterwards. If you have any questions, please contact Karl Raynar.

Native Plant Gardening

Come and learn the benefits of using native plants, which plants are best for attracting pollinators and ideas how to start incorporating natives into your gardens. The presentation will be given by Danielle Lanagan on Sunday, June 28, at 10:15 in the Faith Room.

We hope that many will join us for one of the Care of Creation services on June 28, as well as this presentation, and the family bike ride in the afternoon.

INTERFAITH HUMAN SERVICES

We are moving into our new offices beginning 6/26. We are reaching out to the congregations to see if some of you are able and willing to come in after we have emptied the facility and clean. This would be 6/29 and 6/30. We just need the cobwebs swept down and the floors scrubbed. If anyone has a floor scrubber that would help too. Please let us know if you can help. We will have to hire a cleaning company to do it if we can't find volunteers.

Thank you!
