A group of area congregations that are hosted in a different place each month, on a rotating basis, to get to know one another, to pray together, to learn of PA IPL events and programs, to build community, and to make common cause caring for God's creation.

**Invites All to the Sixth Monthly Meeting  
 June 10<sup>th</sup>, 2p.m.**

**St. Luke's Episcopal Church Altoona**  
 806 13<sup>th</sup> St., Altoona, PA 16602

The PA IPL Circuit Riders will venture into Blair County to visit St. Luke's vegetable garden which is part of our Food Pantry ministry. We'll also check out the progress of our planned wildflower meadow.

The program will then focus on the exciting work of Paul Hawken and his team in the book and website, Drawdown.org "**Project Drawdown is the most comprehensive plan ever proposed to reverse global warming.** Our organization did not make or devise the plan—we found the plan because it already exists. We gathered a qualified and diverse group of researchers from around the world to identify, research, and model the 100 most substantive, existing solutions to address climate change. What was uncovered is a path forward that can roll back global warming within thirty years. It shows that humanity has the means at hand. Nothing new needs to be invented. The solutions are in place and in action. Our work is to accelerate the knowledge and growth of what is possible. We chose the name Drawdown because if we do not name the goal, we are unlikely to achieve it."

I'd encourage you to check out the website or buy and read the book as the information and the concept are both dense and exciting. However, feel free to come without foreknowledge.
