# *From the Desk of Vicar Ted*

My final day of internship at Trinity Lutheran Church in State College was on Sunday, January 30. It has been an amazing year of learning and growth amidst a great group of Christ followers. I have learned so much this year and will be forever grateful to Trinity for hosting me this year and walking this last part of my journey to ordination. You all have a special place in my heart. You not only gifted me with internship, but also gave me a wonderful sendoff and gifted me with so much more. Pictured are the gifts the church and various people of the church gave to include over \$500 as part of the sendoff. You are preparing me for my future ministry. The money will be used to upgrade my Greek/Hebrew language software used in biblical study, which is quite expensive software so this will go a long way towards that. A HUGE thank you Pastor Ron for his leadership and supervision. He has helped me learn and grow so much this year. And a HUGE thank you to Beth Robbins. A good administrator makes everything happen and she is invaluable. And finally a HUGE thank you to everyone at Trinity!

Yours in Christ,

*Vicar Ted*
