SPECIAL CHLOE WEBB FUND DRIVE

Accidents happen. Accidents can happen to anyone. Sometimes, accidents happen to those we know and love.

You may or may not know that three of our TLC disciples recently were involved in a traffic accident. Rachel Webb along with her twin sisters Olivia and Chloe were in a very serious accident with a tractor-trailer.

While Olivia was not seriously hurt, Rachel was hospitalized overnight and finished recovering at home. Chloe, however, bore the brunt of the collision. She had to be hospitalized for nearly three weeks and has yet a lengthy recovering. As of the writing of this article, Chloe is to be discharged to begin physical therapy at home.

As you may expect, Chloe and her family have incurred expenses that insurance does not cover. The family is expected to meet those costs not covered by their insurance. A friend of the family has established a GoFundMe page, through which you may have made a donation. If you have, thank you so much on the part of the family.

At the last council meeting, this matter was considered, and the council decided to establish a Special Campaign for Chloe. So, if you would like to make a donation for Chloe and her family, please, make a check payable to Trinity Lutheran Church, with Chloe Gift in the memo space.

If you have any questions, feel free to contact the church office.

The Webb Family deeply appreciates the thoughts and prayers everyone has offered for them. As they move forward, we will keep the congregation informed of any needs they may have as Chloe now embarks on the long journey to recovering.

DEEPER WATERS AND YOUTH COOKOUT

DW and Youth Cookout is set for Sunday, June 28, 5:30 – 7:30 pm. Menu to be determined. Given the current guidance all the food will be prepared here and served in ways that maintain safety for all. Just **bring a mask and a lawn chair**, along with your appetite and smiling face!!!

Call Pastor Ron, 814-933-8514, (tlcrevron@comast.net) with questions or to register. Families and friends welcome!

Audre & Shirley Bennett

Readings

Jeremiah 28:5-9
Psalm 89:1-4, 15-18
Romans 6:12-23
Matthew 10:40-42

YSB is partnering with the YMCA of Centre County and Penn State's Child Maltreatment Solutions Network to host a series of live webinars designed to teach adults how to recognize, prevent and react responsibly to child sexual abuse. Details are on the attached flyer.

To date, this partnership has trained more than 7,600 adults in Centre County - not only surpassing the goal of training 5% of adults in our community but also maintaining that goal! We think that the live webinar options provide an opportunity to reach even more responsible community members that have an interest in learning more about how to keep all of our kids safe.

Please contact Jamie at the YMCA (<https://bit.ly/3dN6l7a>) to register and get a code to access the webinar materials.

2 NIGHTS OF HOPE, LOVE & JOY FEATURING

Centre County can prevent child sexual abuse.

DISCOVER Stewards of Children®

Stewards of Children® is a prevention training that teaches adults how to prevent, recognize, and react responsibly to child sexual abuse. The program is designed for organizations that serve youth and for individuals concerned about the safety of children. It is the only nationally distributed, evidence-informed program proven to increase knowledge, improve attitudes, and change child protective behaviors.

4TH Fest organizers planning community food drive

'Neighbors Helping Neighbors' involves entire county in helping those in need

State College, PA, June 22, 2020 – Organizers of the Central PA 4th Fest are looking to do something just as spectacular for the community as its annual fireworks display by holding a countywide food drive during the month of July to assist Centre County residents in need.

“As our community continues to recover from the economic impact of COVID-19, the 4th Fest Committee had a strong desire to do something to engage our community in supporting our community,” said 4th Fest Executive Director Frank Savino. “4th Fest might look a little different this year, but we truly feel the best way to celebrate the birth of our nation and honor the spirit of the festival is for neighbors to help their neighbors.”

Beginning Monday, June 22, 4th Fest organizers are asking businesses and individuals to sign up as food collection points. Savino said the idea for individuals is that they will serve as collection coordinators in their respective business, organizations, clubs or neighborhoods. Collection point sign-up will be available on the 4th Fest website – www.centralpa4thfest.org. Once signed up, a member of the team will reach out with the details.

Nonperishable food items can be dropped off at collection points beginning Wednesday, July 1 through Thursday, July 9. The location of collection points will be published on the 4th Fest website. The organizers are asking the public to bring food in any excess boxes they have on hand. This will allow for easier packing of the trucks.

Collection point coordinators or volunteers will be asked to drop off food at a designated warehouse from 9 a.m. to noon July 10 and 11. Individuals or groups that aren't able to drop off at a collection point may bring their donations to the warehouse on July 10 and 11 as well.

-more-

All food donated will be distributed to YMCA Anti-Hunger Program serving Centre County residents.

“Volunteers have always been the heart and soul of 4th Fest, so we welcome the help from anyone or any group that is interested in supporting the food drive,” Savino said. “Everyone can be a ‘Hunger Hero’ this year by participating.”

Fritz Smith, President and CEO of The Happy Valley Adventure Bureau, applauded 4th Fest organizers for their innovation and commitment to the community in a year when the annual Fourth of July celebration will not be held as usual.

“4th Fest is a time-honored family tradition in Happy Valley,” he said. “Frank and the committee found a way for the show to go on in a great way, and are starting what hopefully will become a new tradition even when the festival returns next year. This kind of dedication is what makes our community such a special place.”

More information about the “Neighbors Helping Neighbors” food drive is available on the 4th Fest website, www.centralpa4thfest.org.
