Thank you for supporting
 TEAM MELISSA'S STAMPEDE.

Four years ago the team was formed when our team leader
 Melissa was diagnosed with M.S. We wanted to support her in this
 new journey in her life and to raise money to help the research contin-
 ue for a cure. Because of the gener-
 osity of friends and family, we
 have been able to raise over
 \$45,000 in four years for M.S.
 research and we couldn't have
 done it without your help.

We will be riding in May and if
 you would like to help us continue
 the fight, go to:

From: Bishop Michael Rhyne
To: The members and congregations of our Allegheny Synod, ELCA
Re: Success with our Mission Support

Dear Sisters and Brothers in Christ,

I am writing to share the good news of what you have done as the members and congregations of the Allegheny Synod. As you know in 2015 working with the Stewardship, Mission Interpretation, and Finance teams we made a strong push across the Allegheny Synod to shore up our Synodical budget to support the mission we share together. We appealed to you as congregations to hold the line with your support of and invited congregations to discern if they could take a step toward tithing your gifts. In addition to this we introduced the "One More For Mission" project asking individuals if they could contribute \$1 more a week in their offering toward Mission Support.

I want you to know that working together we have met our goal for this year. We held up the need and you have responded. We reached the "line in the sand" that we adopted at our Synod Assembly, and will be able to meet our commitments to ministries for the coming year.

Thank you for all you have done to meet this goal. You saw a challenge and you have met it. However, this is the first step on a journey. Our job now is to continue to support the good work that we are doing together. You are making a difference in our Allegheny Synod. Together we are caring for our communities and all the places that God has called us in these Allegheny hills and valleys.

I also share with you a new commitment to partnership we have received from our friends in the Churchwide organization. The Director for Evangelical Mission (DEM) position, held by Pastor Tim Knauss, has since its beginning been funded 50% by our Synod and 50% by our national church. Recognizing the great work we have been doing the ELCA has given an increase in their financial support to fund 75% of our DEM position. This is due to their recognizing the great work you do as congregations of the ELCA to further Christ's mission here. They also recognize the commitment we have in the Allegheny Synod to the work of the wider church. This increase in funding does help our bottom line, but more than this, it shows the commitment of our partners in our Churchwide offices to the work we are doing here.

Thank you for all you do and thank you for the way you share your love with the people of God in these Allegheny hills and valleys.

In Christ,
+Bp. Michael Rhyne
