DONATIONS
RECEIVED
FROM
NEW
VISION
PIONEERS

Jerry Ross belongs to a volunteer group called "New Vision Pioneers" that is associated with Verizon (landline) employees and retirees. The grant monies came from Telephone Charitable Pioneer Funds. A certain amount of money is given annually to each Chapter of the Pioneers which in turn is divided with equal amounts going to each club within the Chapter. This years money had to be given to youth projects. Such as to complete an Eagle Scout project, painting, building, or cleaning up the environment.

The Chapter that Jerry is involved with is the L. H. Kinnard #7 Chapter (based in Harrisburg, PA) and the local Club is the Seven Mts. Club. Seven Mts. Club (area covers Altoona to Lewis-town) received a grant of \$300 that could be spent on a local (within the Seven Mts. Club area) youth group that would be doing a project for the community or a mission.

Jerry and Jean Ross immediately thought of the Mt. Top Mission group at Trinity and asked a few questions and sure enough we could get supplies here that they would take with them to Mt. Top. Jerry purchased for Jay and the Team painting supplies, cleaning supplies and lumber.

BAG-CHAIRS NEEDED

As you may know, the Outdoor Worship Service that is offered during the summer months involves worshipers bringing their own chairs. On occasion, we have visitors who do not know to bring a chair, or folks forget theirs. In any case, persons in need of a chair often borrow the white chairs from the Faith Room, which is fine, except that often times the plastic "feet" from the bottom of the chairs comes off in the ground.

So, we would like to collect a small number of chairs that people can use if they need one. If you have any bag-chairs that you don't use anymore, please let Pastor Ron know and he will make them available to Outdoor Worshipers.

Thanks so much for your assistance!
