CHILDREN'S CHURCH RESUMES—SEPTEMBER 8TH

I am reaching out to invite you to consider a meaningful opportunity to contribute to our congregation's growth and support our youngest members in their faith journey. Our Children's Church program nurtures the spiritual development of our children, guiding them as they build their understanding of God's love and teachings. I am currently seeking dedicated and enthusiastic individuals interested in leading some of these sessions. Children's Church occurs during the 10am service during the sermon, lasting only about 15 minutes. During the session, you will lead the children in a lesson related to that day's gospel reading or other topic while completing a small craft or coloring sheet with the children. There are typically 4-6 children each week. You will be provided with lesson plans and a craft idea if you need/want. Your unique gifts, passion, and commitment to fostering a positive learning environment can make a significant impact on the lives of our children. Leading Children's Church is not just about imparting knowledge; it's about creating a nurturing space where children feel valued, inspired, and connected to their faith. I provide all necessary training and support.

If you have a heart for teaching and a desire to make a difference in our community, I would love to discuss this opportunity with you further. Please reach out to me, Tricia Hunt at synergie17@gmail.com to learn more or to express your interest.

DEEPER WATERS CLASS

As younger disciples develop, they reach an age and ability to begin understanding more abstract concepts in life, including a comprehension of God and other aspects of our Christian Faith. Accordingly, the church has offered classes to help developing such developing disciples come to a deeper grasp and appreciation for their faith rooted in Baptism.

Traditionally this involved young people who are in Sixth, Seventh and/or Eighth Grades. We call this 3-year course of study, Deeper Waters, indicating that the students will venture into the deeper waters of our faith associated with Baptism. To that end, this fall Deeper Waters (DW) classes will begin on Sunday, September 15. The class begins right after the morning worship schedule concludes, about 11 am, and class ends by 12 pm. The class is taught by Pastor Ron.

1ST COMMUNION CLASS

Most children seek to participate in various activities as a member of the family. They tend to do the same in other settings such as church activities, particularly worship. As children reach a point where they can eat bread, they may become interested in participating more fully in Holy Communion. To that end, we here at Trinity offer a 1st Communion Class for children whose parents feel their child is old enough to receive the Sacrament. We have no set age for 1st Communion, the parents decide.

So, if you have a child or children, you feel are ready to begin receiving Holy Communion plan now to attend two Sunday morning classes, October 6 and October 13, both sessions. At least, one parent is asked to attend. Course materials are provided. A light luncheon will be served to participants.

Children who participate in the two sessions will be celebrated on Sunday, November 3, All Saints' Sunday, at either of the two morning worship services. Contact Pastor Ron to register your student or if you have questions.

NEWCOMER'S CLASS

In light of, classes are offered for those wishing to join Trinity to provide some history and orientation to the congregation. If you are interested in learning more about Trinity or if you wish to join, please plan now to attend our next Newcomers' Class set for Saturday, September 14, 9 am. The session will conclude by 12 pm. Contact Pastor Ron (TLCRevRon@comcast.net) for details or to register for the class.
