HEATING ASSISTANCE PROGRAMS WARM UP FOR WINTER

In preparation to help low-income families in Centre County with heating fuel during the coming cold months, IHS has scheduled 16 classes to provide education on home energy conservation and basic budgeting.

Every household must attend a class (see schedule below) before receiving heating assistance from any IHS program. Households applying for heating assistance must first apply for LIHEAP (the Low Income Home Energy Assistance Program) at the County Assistance Office and, if eligible, must use those funds first. ***Make plans now to attend so you're not left out in the cold. These classes are free and open to the public.***

ENERGY CLASS SCHEDULE
