UNITED WAY DAY OF CARING

Trinity Lutheran Church will be participating in the annual United Way Day of Caring on October 6, 2016. We will be working at the Boogersburg School doing exterior painting. If you would rather do something else, the Centre Furnace Mansion will have other projects to participate in. Please sign up on the sheet located on the Fellowship Hall door. We usually start at 8:30 - 9:00 am. You can work a half day or a whole day. Please indicate your shirt size and email on the sign-up sheet.

Sunday School Community Outreach Project

This year, TLC Sunday School students would like to ask the congregation for help raising \$500 to buy a pregnant cow for a Rwandan family in need, thru Heifer International. The cow will provide the family milk and butter to sell, fertilizer for their gardens and the possibility of becoming self-supporting. As the TLC children raise \$50 increments, they will be able to color in part of the cow and see their efforts visualized for a family in need. There are additional donation boxes in the Narthex and calendars to learn more about Heifer International. The first donation box collection will be October 16.

If you would like to make a donation in support of the kids please contact Lena Sheaffer, Lena@psu.edu, or Christina Pillot, Cpillot@yahoo.com.

Thank you,
 Sunday School Team

"An Environment of Justice"
October 30, 2016

People of faith are invited to deepen their commitment to climate justice at Pennsylvania Interfaith Power & Light's annual conference, "An Environment of Justice," Sunday, October 30, from 1:30 to 5:00 pm at the Church of the Good Shepherd in State College.

The conference gathers people from throughout Pennsylvania to learn, network and act on the impacts of climate change. Dr. Jalonne White-Newsome of the Kresge Foundation will offer the keynote address on "Climate Change: The Path to Inner Resilience." Break-out sessions will explore the intersection of climate change with justice issues such as racism, hunger, and poverty. A Green Fair will introduce participants to Pennsylvania organizations committed to caring for the earth.

Pennsylvania Interfaith Power & Light (PA IPL) is a state-wide organization that engages people of faith to respond to climate change as a moral issue.

A young pastor asked a rich old member how he made his fortune.

"Well, son," said the old man, "it was 1932 - the depths of the Great Depression. I was down to my last nickel. I invested that nickel in an apple and at the end of the day, I sold the apple for 10 cents."

"The next morning, I invested those 10 cents in two apples. I spent the entire day polishing them and sold them for 20 cents. I continued this practice for a month, by the end of which I'd accumulated a fortune of \$9.50."

"Then my wife's father died and left us two-million dollars."

YOUR HELP IS NEEDED!

We are blessed here at Trinity with many people who are willing to volunteer in various areas of our ministry. Helping with our weekend services is one of the ways in which many of you participate. As time goes on, some have to remove their name from the volunteer lists for various reasons. As a result, we are in need of new volunteers. If you are interested in serving in any of the following areas, or areas that are not listed, please contact me (tlcmarla@comcast.net), and I'll forward your name to the person responsible for that particular training.
