Scrubbing Power!

Thank you to everyone who donated cleaning supplies for the Cleaning Bucket Challenge. The Sunday School kids worked really hard to help gather, organize and fill the buckets. Thanks to the donations you made and a Thrivent Action Team grant we were able to donate 8 buckets and then some full of cleaning supplies, mops, extension cords and notes of encouragements. The kids were so energetic and delighted to make an impact in their community. Thanks to all the parent volunteers and may the generosity of Trinity continue throughout the holidays.

FROM THE PASTOR'S DESK

Dear Sisters and Brothers in Christ,

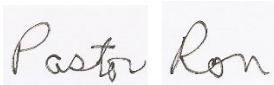

We all know how quickly and constantly things change around here! New buildings are constructed while older buildings are re-modeled. Roadways all over the region are under construction making it a challenge to get from one place to another without some sort of delay. And each year we're all a year older!!!

Change is no less true for us as a community of faith. While we have some of our annual events, this year we have tried some new ones. We have new members on our staff or soon will, we hope. New people join us on Sunday morning looking for a church home, in time they step into positions or leadership, or ministry or serving.

As you can see by the articles in this week's issue of The Piper, we have some activities and ministries done in previous years while having some activities we've never done before. Sunday school continues but we've tweaked the opening a bit to be a fuller gathering. First Communion instruction is again being offered this month and we rejoice with six younger disciples who will receive communion for the first time on Sunday, October 28: Anya Brownson, Adriana Burn, Trey Leo Poehner, Cami Porter, Trey Zanghi and Sarah Zembower. Also, that day we will welcome Heather Brewer as possibly our new Choir Director. These are but a few examples.

Despite all the changes, and perhaps because of some of them, Trinity continues to be a healthy congregation and people are finding their way here by the guiding of the Holy Spirit. We are the body of Christ here for each other and for the world. May God continue to bless us and our ministry efforts as we seek to bear witness to our faith in Jesus Christ.

In his love,
