## Questions about Resuming In Person Worship?

Is the church going to resume in person worship services soon, since Centre County is now moving to the green phase?

The answer to that is currently no.

Council discussed this issue at length at the May Zoom meeting and decided that it is too early and the mechanics of sanitizing and recording are too complicated at this point to take the risk.

Council will again discuss this issue at the June meeting, so until that time the church is still locked and we will not be resuming in person worship at this time.

## ADULT SUNDAY SCHOOL CLASS RESUMING

Even though we will not be resuming in person worship services the Adult Sunday School Class will resume meeting this Sunday.

Sunday, May 31st at 9:30 AM in Fellowship Hall

The requirements for meeting are that everyone must use the side door to Fellowship Hall. Masks are recommended. You are asked to stay in Fellowship Hall and not use the kitchen facilities or the bathroom facilities. If you are accustomed to having coffee during the Sunday School time, please bring your own, as well as, your own chair to limit touching things here at the church.

We appreciate your help and understanding during this unusual time.

The masked singer.

The emotional support dog after I get done telling it my problems.
