State College Virtual CROP Hunger Walk and Cookout

This year, the State College CROP Hunger Walk is going virtual!

What does this mean?

Instead of gathering as a community, the CROP Walk will continue with small groups of walkers instead of one large community walk.

Trinity will host a walk on **Saturday, October 17th**. We will gather at the church at 10 am and begin the walk around 10:30. The 5K walk will start and end at the church, and will be followed by a cookout, menu to be determined. Please bring your own chair. Social distancing and masks are required. All are welcome!

Want to get involved? Register to walk on Trinity's team, or support the team with your donation, at: <https://www.crophungerwalk.org/statecollegepa/tlc>. 25% of the funds raised will directly help our community through the State College Food Bank, and the rest will be used by the Church World Service to combat hunger around the world. Share the link on social media or email to help support our efforts to fight hunger! If you are unable to join the group but want to participate, feel free to walk on your own, or with your family, at any time!

RSVP for the cookout with Pastor Ron (TLCRevRon@comcast.net) and direct questions about the walk to Kayla Smith (kayjsmith22@gmail.com).

Thank you for your continued support of this ministry!

At St Andrew's Episcopal Church we are resuming our Sunday morning Adult Forum programs. The first offering is something that we feel might be of interest to other churches in the area and would like to extend an invitation for you and your community to join us. Please see the flyer below.

Note, the flyer below does not include the Zoom link. We will share this only directly, not via social media. Please contact me at office@standrewsc.org if you'd like to receive the Zoom link to participate..
