Morgan Pandolfi's
Girl Scout
Gold Award
Project at
Bernel Road Park

Morgan Pandolfi has been a Girl Scout since she was in kindergarten and is now in high school working on the highest award as a Girl Scout, the Gold Award.

Her project aligns with her passion for music. She wants to install the above instrument at the Bernel Road Park, which is close to the airport. The instrument mimics the wings of an airplane and will complement the airport design of the park.

The church council has voted to support this project and wanted to give the congregation the opportunity to also support this young lady's project and dream of music for all.

She has a fundraising page:

<https://www.justgiving.com/fundraising/morganpandolfi>

Following a donation, you will receive an acknowledgement letter from GSHPA that can be used for tax purposes.

If you prefer to look at more information on this project, that can be found at: www.musictakesflight.com

"I lift up my eyes to the hills – from where will my help come? My help comes from the Lord, who made heaven and earth" (Psalm 121:1-2).

Dear friends,

The last year has been full of changes and challenges for all of us. Now we are again witnessing a devastating disaster amid the ongoing pandemic. As neighbors in Christ, we have an opportunity to share God's hope, healing and renewal with each other.

Beginning Feb. 14, a polar vortex descended over the United States. Subfreezing temperatures and heavy snow swept across the country, impacting millions of people. The harsh conditions severely impacted Southern states, such as Texas, which lack the infrastructure to handle the freezing temperatures and record-setting snow and ice. This has led to power, food and water shortages throughout the region. At its peak, 4.5 million homes and businesses in Texas were without power. With bursting pipes and broken water systems, around 10 million Texans are facing water disruptions. As temperatures rise, melting ice and snow is expected to cause more water damage.

Lutheran Disaster Response is collaborating with the Texas-Louisiana Gulf Coast Synod, the Southwestern Texas Synod, the Northern Texas-Northern Louisiana Synod, and Lutheran Social Services Disaster Response. Congregations are already conducting relief efforts such as supplying water, food and generators to those in need and opening their doors to serve as shelters. Long-term recovery may include repairing water-damaged homes, disaster case management and supporting vulnerable populations.

Please give today. Your gifts ensure that our church will be able to provide help and hope for those whose lives have been devastated by the severe storms in Texas. Gifts designated for "U.S. Severe Storms" will be used entirely (100%) for direct response. In order to give copy & paste: <https://community.elca.org/us-storms> in your web browser

Together, we can help provide immediate and long-lasting support for those whose lives have been impacted by severe winter storms and subfreezing temperatures in Texas. Doing this we reflect Christ's light and hope to our neighbors in their time of need. For updates on this and other disasters, follow Lutheran Disaster Response on Facebook.

With gratitude for your partnership,

Daniel Rift
