2021 GRADUATING SENIOR

Anna-Lynn Fryer will be graduating from  
Tyrone High School

She plans to attend the  
University of Pittsburgh, majoring in CRNA-Nursing Program  
with a minor in Spanish

*Congratulations*

Greetings brothers and sisters in Christ!

I am Anna-Lynn Fryer, one of the youth members here at Trinity. This summer, I have been given an amazing opportunity to, safely, study art history in Rome. In order to help pay for my program tuition, my mom has raised some beautiful Petunias, Primrose, Stella D'Oro and Nasturtiums. They are for sale, by donation. We are also accepting donations without purchase of a plant. Plants will be sold before and after Sunday services on May 9th and 16th (possibly as early as the May 2nd service).

If you are unavailable, and/or would like to make a contact free donation/purchase, please reach out to me for address information at (814) 441-1399 or email at [alfryer16022@yahoo.com](mailto:alfryer16022@yahoo.com). We can set up a contact free location at that time.

Thank you, in advance, for all your love and support.

With love,

*Anna-Lynn Fryer*

Dear Community Partner,

Hello! My name is Nick Scipione and I am a Family Services Intern at the Habitat for Humanity of Greater Centre County (HFHGCC). HFHGCC is a non-profit organization that aims to build affordable, quality homes and provide support services for the successful purchase and ownership of these homes for our partner families.

We are currently looking for volunteers to work alongside us in providing affordable housing to our community and thought that you might be able to assist us!

The Habitat for Humanity ReStore is the volunteer opportunity where we need volunteers the most. The ReStore supports HFHGCC by selling donated home improvement items and materials to the public at largely discounted prices. 100% of the profit goes to HFHGCC to fund the provision of quality homes for our partner families. Volunteers at the ReStore are able to assist in cleaning and stocking merchandise, assisting customers with purchases, assisting donors with donation drop-offs, facility and landscaping upkeep, metal scrapping/recycling, and a variety of other tasks.

At HFHGCC, we build and renovate homes with and for our partner families. Our second opportunity allows our volunteers to do just that while working side by side with our families and Construction Supervisor.

HFHGCC would not have the impact that it has if it were not for our volunteers. If serving families is something that you are passionate about, I encourage you to share this information with your organization and to consider volunteering. If you are interested in volunteering, you can call us at (814) 353-2390 or email us at [volunteer@habitatgcc.org](mailto:volunteer@habitatgcc.org).

Thank you for your consideration. Together we can help build homes and build hope for Centre County's hardworking families.

Sincerely,  
Nick Scipione
