Out of the Cold- Hotel Support

Due to church schedules and some churches still having restrictions due to COVID, we are moving to hotels for two weeks. We will still be preparing and delivering meals to our guests during this time and doing daily check-ins at the hotel.

As we are volunteer powered, we need help your help to prepare meals and to assist with packaging meals so they are ready to deliver to our guests. If you sign-up for a meal slot (either dinner, lunch, or breakfast), the meal should be dropped off at the day shelter from 9 am to 10 am (located at 318 South Atherton, parking in rear of building via alley) . Please consider preparing meal items that can be easily divided and repackaged. **We are serving 12 guests at this time.**

If you sign up for meal packing, please arrive at the day shelter by 10:00 am to help package and distribute meals to our guests (this slot should only be filled by low-risk, healthy individuals please). If you have any questions, please contact us at ootccentreco@gmail.com.

*Due to the small refrigerator space at the hotel, we are also asking for gift cards to give the guests for the weekends so the guests won't have to worry about any food spoiling or storage problems. The businesses that are in walking distance for the guests are Subway, McDonalds, IHOP, KFC, and Honey Baked Ham. Staff will be picking up anything extra needed from Sams Club, therefore gift cards for Walmart and Sams Club would be greatly appreciated as well. The gift cards can be dropped off at Day Shelter/Meetinghouse 318, Monday through Friday from 9am-2pm.

Helpful Information:

We will update the number of guests as it changes. You should see an accurate number where you signed up for your meal and on the main sign-up page. Here are some suggestions for meal items:

Items that are good for breakfast:

- Breakfast sandwich
- Fruit (fresh or snack packs)
- Breakfast casserole
- Yogurt or Milk or Juice (individual)

Items that are good for lunch:

- Sub or Sandwich (Ex. Meatballs to warm up individual from bread or cold sandwich)
- Fruit (fresh or snack packs)
- Individual Pot Pies

Items that are good for dinner:

- Casseroles (you can send these in a large pan and we will divide from the pan)
- Sandwiches or Subs
- Sides: Veggies, Fruit, Bread/Bun

*Desserts are appreciated if they can be repackaged easily.

*We can package soup but it requires us to purchase special containers so we would like to know if we are packaging soup so we can make sure that we go out to buy containers. Or you can provide your own disposable containers.

The guests all have a small refrigerator and a microwave in their room.

It is helpful to share what you are preparing, especially if you are partnering with another person for making the meal.
