UNIVERSITY AREA JOINT AUTHORITY

The University Area Joint Authority will be
working on North Oak Lane between Douglas Drive
and Galen Drive starting in March 2023, weather permitting.

All sewer mains and laterals on this section will be replaced by UAJA personnel, due to
many roots and infiltration problems.

Traffic will be maintained as much as possible, but please be aware that there could be
issues getting to the back parking lot of the church off Sierra Lane.

Dear Trinity Lutheran Church Representative,

Thank You! Your generosity has made an impact at Park Forest Preschool and we are grateful for your support as we provide a much-needed preschool education to the 35 young children in our care and support to their families.

Our school has educated hundreds of students over more than 50 years on a very meager budget. It is only through the kindness of our supporters that we can continually meet the needs of children in our community who would otherwise not have access to the resources provided by a preschool education.

We are working hard to grow our program to further enrich the lives of the families we serve, and we can't do this without you. In addition to your recent gift, will you please help further our mission by sharing our story with someone you know? We also would love to welcome you for a tour of our facilities so that you can see how valuable your support truly is to our staff, the children, and their families.

Bridge of Hope Event here at Trinity

WHAT IS A NIGHT IN A CAR?

A homelessness simulation that shines a spotlight on the hidden aspect of homelessness that many in our community experience—living in their cars. Participants will “live” out of their cars during the overnight hours. Register as a team or as an individual, and set your own fundraising goal. <https://centre.bridgeofhopeinc.org/get-involved/events/night-in-a-car/>

WHEN AND WHERE WILL THIS EVENT TAKE PLACE?

This overnight event begins **Friday, March 24, at 7 pm until Saturday at 7 am**. The simulation will be done “drive-in” style **at Trinity Lutheran Church in State College – 2221 N Oak Lane**. The church will be open for quick bathroom breaks and coffee. The entire night will be spent in your vehicles with special learning experiences online.

If you prefer, you also have the option to “zoom-in” and join us online from your own driveway. It’s a great way to experience the event without leaving home! Challenge your family members and friends to join you.

WHY GET INVOLVED?

Your participation helps those in need right here in Centre County. When you reach your fundraising goal, you and all of your supporters help to provide support towards monthly rent for one single-mother-led family. That then allows that family to gain stability and begin to initiate steps toward ending the cycle of family homelessness and poverty. You help provide others the opportunity to a fresh start!

Check out what our past volunteers had to say about participating. Make an impact and challenge yourself, family, and friends today!

“You don’t know what it’s really like until you experience it.”

“We do this so that nobody HAS to do what we are CHOOSING to do.”

“This really drives empathy for those who experience homelessness.”
