MINISTRY CANCELLATION POLICY

During the winter months the weather in Central PA can become problematic in terms of travel. Rarely do we need to cancel events or programs as Pastor Ron simply walks across the street while many of our disciples must drive to attend events here at the church.

Our past policy is still in effect: **USE YOUR OWN DISCRETION AS TO WHETHER YOU SHOULD TRAVEL OR NOT.** Stay safe.

If, for some reason we do have to cancel an event or ministry, Beth will send out an email, post the message on both our website and Facebook page. You can also call the church to inquire, 814-238-2024 or call Pastor Ron 814-933-8514.

On January 16th, Bill Adams, a member of our congregation will be turning 90. The family has requested that those of us who choose to, send a birthday card to him. His address is:

Bill Adams

State College, PA 16801

FUNDRAISING DINNER FOR EOJ

Many of you have heard of Essence of Joy (EOJ), a sister group to Essence 2 that rehearses here at Trinity. Next summer Tony Leach, the director, is planning a trip to France for participants of both groups. To that end, we have been asked to host a Fundraising Dinner to support the students of EOJ. The dinner is set for Wednesday, February 10, 6 pm. Following dinner members of EOJ will present musical numbers for those present. A freewill offering will be received at both the dinner and the recital.

With questions, speak to Pastor Ron.

MINISTRIES RESUME AFTER HOLIDAY BREAK

CHOIR REHEARSALS – Under the direction of Graham Sanders the Choir will resume rehearsing on Tuesday nights beginning January 9, 7 pm in the Worship Space. All are welcome to join this ministry.

DEEPER WATERS – Classes are held on Sundays starting right after the morning worship schedule, around 11 am. The sessions end at 12 noon. The class is in the Faith Room (next to Pastor Ron's Office). If you have a child in Middle School and want to enroll that child in our Deeper Waters Ministry, speak with Pastor Ron who teaches the class.

WEDNESDAY DINNERS – Plans at this point are still not complete. Watch for details.
