### **Worship Server Schedule**

Because Memorial Day is the last Sunday of May, I will stop scheduling Worship Servers until the Fall. Since a number of the people who would normally serve as Deacon or Lector will start attending the 9:15 am outdoor service and vacation schedules, it gets very difficult to schedule people and not have conflicts.

# *Vicar Ted's Ordination*

On Saturday, May 11th, 2024 at 10:00 am

Vicar Ted Williams will be ordained as a Lutheran Pastor. The Ordination Service will be at:

Trinity Lutheran Church

408 North 6th St., Altoona, PA 16601

This is his home church in Altoona.

After talking with Vicar Ted, he said that there is limited parking at this location and suggests car pooling if possible.

For those wishing to contact Vicar Ted, his email address is: [pastortedftlm@gmail.com](mailto:pastortedftlm@gmail.com)

Vicar Ted will be serving Pine Hall Lutheran Church and Gatesburg Lutheran Church.

For anyone interested in sending congratulations and best wishes to Vicar Ted on this very important day in his life, there is Trinity stationary on the table in the Narthex. You can write a note and put it in the offering plate or put it in the Office Administrator mailbox and all well wishes will be delivered to Pastor Ted on May 11th. There is a card on the table, as well, for those who would like to sign it.

## **BUS TO ORDINATION AVAILABLE**

An email was received from Pine Hall Church—they are organizing a bus to take people to the ordination. If you are interested in riding to Altoona on a bus for the Ordination please contact Bob Frederick, Pine Hall at (814) 571-7330 for more information.

## North Oak Lane is Under Construction Again

The State College Borough Water Authority has started a waterline replacement project on April 15, 2024.

When coming to the church, if you travel North Oak Lane, you may have noticed markings on the street and little flags in the yards up and down the street.

The water company said they will notify us if (or when) there will be a disruption in our water service. This project is expected to take 4 to 5 months.

Please use caution and have patience when coming to the church.

The workers are out on the street by 7:30 am and usually are there until about 3:00 pm.

We don't know if this project will disrupt any activities here at the church, but if they do, we will make every attempt to get the word out as quickly as possible.
