## Parking Lot Resurfacing and Line Painting

Work on both front and back parking lots is complete. Sones Sealcoating completed their work of sealing and lining the parking lots on Monday of this week.

Thank you all for your patience and cooperation during this project.

Blanket Sunday **was** Sunday October 6th

We just received the information this week.

All congregations in the Allegheny Synod are invited to give a special monetary offering for the purchase of blankets by

Lutheran World Relief. These contributions buy sturdy blankets which provide shelter, warmth and security for

those living in disastrous situations. There are Blanket Sunday Envelopes on the table in the narthex. We are not collecting blankets this year, but if you would like to make a monetary donation, please use the blanket Sunday envelopes and make your check out to Trinity. We will send all monies to the Synod next month.

**Reformation Day** is a Protestant Christian religious holiday celebrated on the last Sunday in October in remembrance of the onset of the Reformation.

According to Philip Melanchthon, 31 October 1517 was the day Martin Luther nailed his *Ninety-five Theses* on the door of the All Saints' Church in Wittenberg, Electorate of Saxony, in the Holy Roman Empire. Historians and other experts on the subject argue that Luther may have chosen All Hallows' Eve on purpose to get the attention of common people, although that has never been proven. Available data suggest that 31 October was the day when Luther sent his work to Albert of Brandenburg, the Archbishop of Mainz. This has been verified; it is now regarded as the start of the Reformation alongside the unconfirmed (Melanchthon appears to be the only source for that) nailing of the *Ninety-five Theses/grievances* to All Saints' Church's door on the same date.

The holiday is significant for the Lutheran and Reformed Churches, although other Protestant communities also tend to commemorate the day. The Roman Catholic Church recognized it only recently, and often sends its official representatives in ecumenical spirit to various commemoration events held by Protestants. It is lawfully and officially recognized in some states of Germany and sovereign countries of Slovenia and Chile. In addition, countries like Switzerland and Austria provide specifics in laws pertaining to Protestant churches, while not officially proclaiming it a nationwide holiday.
