Wheelmen and Women

If you like bike riding, we are looking for men and women to join Karl Raynar, Gene Weller, Mike Smith, and Gerry Krupa on our Tuesday evening rides. We have riders with both eBikes and traditional pedal powered bikes (also termed analog or acoustic bikes by our engineers and musicians).

We start in various parks and ride bike paths and neighborhood streets for 7-10 miles, starting at 5:30 and ending around 6:30. Rides often have a theme such as **State College Book Benches, Penn State Veteran Monuments, Spring Creek Canyon, Seven Park Forest Parks** in 70 minutes, etc. We often end our rides with a small drink and snack tailgate before some of us head to the Arena at Northland Bowl for Trivia at 8:00pm.

If you would like to be added to (or deleted from) our email list for Riding and/or Trivia contact Karl Raynar at karl_raynar@hotmail.com or text your information to (814)574-4795.
